

MOVING FORWARD TOGETHER

FORWARD PRIORITIES

More Unites Us Than Divides Us:

Americans can fix ANY problem, as long as we don't let the angry extremes hold us back. We also don't want Washington insiders telling us what to think. We want to think for ourselves and get things done. Sadly, the rigid, top-down, one-size-fits-all platforms of the outdated political parties are drifting toward the fringes, making solutions impossible.

That is why Forward is approaching a "platform" differently. We stand for doing, not dividing. That means rejecting the far Left and far Right and pursuing [common ground](#). Three building blocks will unite our broad coalition and serve as the springboard for the leadership and policymaking by Forward Party leaders:

- **Free People.** Revitalize a culture that celebrates difference and individual choice, rejects hate, and removes barriers so that each of us can rise to our full potential.
- **Thriving Communities.** Reinvigorate a fair, flourishing economy and open society where everyone can live a good life and is safe in the places where we learn, work, and live.
- **Vibrant Democracy.** Reform our republic to give Americans more choices in elections, more confidence in a government that works, and more say in our future.

Not Left. Not Right. **Forward.**
